CALENDAR OF THE JEWISH PEOPLE OF PUTTI, UGANDA

Putti Village Assistance Organization (PVAO) is the only registered non profit working with the entire village of Putti, including members of three different faith groups and two different ethnic groups, to create a regenerative and sustainable community. Our work thus far has included aid in fostering sustainable education, agriculture, clean water, and access to health care. Additionally PVAO has been working with the Jewish members of the village to foster Jewish education and learning, including the sending of two students to yeshiva in Israel this past year. Most importantly, PVAO is working with the elected leadership of Putti Village to foster their own ability to support themselves. And of course, a major part of such an endeavor means empowering the children and youth to achieve educations that allow them to take care of their own families, and to have the skills and vision necessary to foster their own communities health and happiness.

The people of Putti thirst for learning and opportunities, and your support enables them to have a more hopeful future - both for themselves and the entire community of Putti. We are very grateful for your support and encouragement. We hope you enjoy this calendar of photos from Putti.
